

Curriculum Vitae

Meinhard Günther

Director, Quality Management
DILAS Diodenlaser GmbH

Meinhard Günther is responsible for quality assurance and quality management at DILAS Diodenlaser GmbH since 2002.

Prior to joining DILAS, Mr. Günther held a wide range of quality management positions for PerkinElmer Optoelectronics GmbH, Wiesbaden, Germany, a manufacturer of thermopile sensors, IR sensors and televisions pickup tubes. During his tenure at PerkinElmer, he was the quality manager, 1990-2001, and responsible for the company's quality offices in Germany, Singapore and Indonesia and, furthermore, served as assistant quality manager, 1988-1989. From 1985-1986, Mr. Günther joined Philips GmbH Apparatefabrik, Wetzlar, Germany, where he was responsible for the special transformers production department.

Mr. Günther earned a Master of Science degree in electrical engineering from Universität Gesamthochschule Kassel, Germany, focusing on power engineering.
